UNITED STATES ARMY

Dear Mother & Folks

Well am now in another country but it is the same as France in most respects. They talk French so it is not so bad. Working pretty hard now, in a foreign town.

Hope everyone is fine back home. I am O.K. & feeling great. My thumb is getting better each day. I have been playing ball a few times & it feels great to have a bat in my hands. Guess they will play ball this year, but it won't be much with Williams & all the rest gone.

News is getting better on the Western front. The 3rd & 9th Armys are driving and gaining a little each day. The 5th Division is right in the middle of both Armys so that is the reason for the gains. Have you heard from Frank yet? Sure do hope he is alright. Must close & leave you this short letter but time for work.

Love to All
Dick
